

HURRICANE IRENE

HELPFUL INFORMATION

Signs of Electricity:

If you see street lights on in your neighborhood or if your neighbor has power and yet you do not, call National Grid right away. You may be on a different line or there may be another problem that can easily be fixed.

!!!GENERATORS—VERY IMPORTANT!!!

If you are using generators and you notice National Grid crews working in your neighborhood Please **SHUT OFF** your generator as the electricity could back feed and seriously injure or possibly kill the workers.

Trash

Your trash will be picked up as per the usual schedule this week. Please remember to:

1. Double Bag Your Trash
2. Put in Rodent Proof Containers

National Guard

National Guard members are assisting the local communities by cutting and trimming trees.
